

# IMM eChecks 2.x

## Release Notes

---

### PDFPrintApp 3.0 Patch

**Note:** The PDFPrintApp 3.0 Patch must be applied to IMM eChecks 2.1.x or higher.

- The PDFPrintApp no longer requires specific drivers to perform printing tasks.

### 2.1.0

- Improvements made to the installation process.

### 2.0.9.0

**Note:** Module to Support Server 2012 and SQL 2012 (Issued 11/5/2014).

- Supports Windows 2012 R2 Server and SqlExpress 2012 with manual configuration.
- Requires Adobe Reader 10.x.

### 2.0.9.0

- Replacement of Access DB with SQL Server.
- TeChecks Report Generator is no longer installed separately. It is now installed automatically when IMM eChecks is installed.
- Support for two new add-ons: TotaleChecks Offline and Offline LaserChecks.
